CONFERENCE PROGRAM

RACISM & WELFARE

11-13 OCTOBER
Welcome

It is with great pleasure that the Centre for Multidisciplinary Studies on Racism (CEMFOR) at Uppsala University presents the program for this year’s Racism Studies Conference on the topic Racism and Welfare. The third day is co-organized with the Antiracist Academy (ArA).

CEMFOR coordinates broad-ranging, methodologically inclusive, and multidisciplinary research on racism at Uppsala university.

Uppsala University has initiated the Centre. Through collaboration between six faculties within the Disciplinary Domain of Humanities and Social Sciences, the centre builds on competence available at the university.

CEMFOR offers all of the university’s accomplished scholars and doctoral students interested in issues of racism a dynamic academic environment with funding and research positions, thus benefiting project coordination, theoretical and methodological development, and the training of a future generation of racism scholars.

On behalf of the organizers I wish you all welcome.
